A Worldwide Celebration

November 8 - 10, 2013

This sweet little dog loved whipped cream, sweaters and her family. Sadly, she crossed over the rainbow bridge recently after being rescued and treated like royalty after a rough start in the home of a hoarder. During her brief stay on earth she touched the lives of many people around the world and helped raise awareness about the sad plight of puppies in mills, backyard breeding and in hoarding situations. Read Rosie's story at her [website](#) and take action to help end puppy mills, animal hoarding and backyard breeding.
